

# Team Leader Development

£ £1050 Per Person (exc. VAT)

📅 3 Day Course

This open programme is designed for leaders working in small to medium size companies (SME's) who desire to equip themselves with the skills, knowledge and behaviours to develop and lead high performance teams. As an open programme, leaders will have the opportunity to network with other leaders of similar size organisations, learning and developing through shared experiences and collaborative projects.

This practical, content rich and high impact 3-day workshop focuses on managing self and personal effectiveness, managing people and developing relationships and organisational performance.

This course will ensure learners are able to:

- Gain insight and understanding of your own leadership style.
- Develop enhanced communication skills.
- Enhance your emotional intelligence.
- Learn new strategies to motivate and inspire your team.
- Learn how to plan, prioritise and manage your time effectively.
- Learn how to present with impact and to chair successful meetings.
- Receive constructive feedback and advice from experienced leadership trainers.
- Enhance your confidence in your own abilities.

## Course Content

This programme will be run over three, one-day modules spaced one month apart with assignments and practical work complementing the face to face workshops. The face to face training is complemented and supported by selected online learning developed by WDR specifically for our leadership programmes. Follow-up coaching is provided by one of WDR's leadership performance coaches to support you in embedding your learning in the workplace.

There is an additional option to gain a qualification from the Institute of Leadership & Management (ILM) through the completion of two assignments alongside the taught material.
