

# ILM Level 5 Award in Leadership & Management

For every business, a key role of middle managers is to act as connectors, delivering great results through their people and ensuring these are aligned to the needs of their stakeholders.

This programme has been designed for practising middle managers, helping them to develop the essential skills and expertise that will be integral both in their current roles and as they prepare for senior management responsibilities.

## Learner Journey

This blended programme combines eLearning modules with webinars to a 100% virtual learning experience, backed with unlimited support from your tutor.

At WDR we've over 50 year's experience of helping businesses and their people to unlock their potential by creating innovative learning solutions with lasting benefits.

We're proud to be an accredited centre of The Institute of Leadership & Management which is Europe's largest management body and is part of the City & Guilds Group.

# ILM Level 5 Award in Leadership & Management

## Qualification Overview

You will cover two units with the following key learning points:

### Unit 1 – Becoming an effective Leader

- The use of a range of leadership styles, in different situations to fulfil the leadership role.
- Theories of emotional intelligence and the effect of emotions on performance.
- Setting direction and communicate this to others.
- Motivating, delegating and empowering others.
- Creating personal development plans to improve your impact as a leader.

### Unit 2 – Managing Improvement

- Understanding quality and quality measurement
- Managing quality to meet or exceed customer requirements.
- Successful project delivery
- Developing and implement improvement plans to meet and exceed customer requirements

## Programme Features

### Induction

At the start of the programme we will arrange a 1-hour webinar to take you through all aspects of your learning journey and explain how we will work with you at every stage. You will also receive a candidate handbook capturing all the information you will need to help you study.

### Assessment

You will complete two structured assignments of approximately 2,500 words each. We will provide you with detailed input and guidance on completing your assignments and feedback on your drafts.

### Tutorial Support

Throughout your programme, you will receive 1:1 support from a specialist tutor, who will be available for you via both phone and email between webinars.
